Volkswagen

The New Polo

EXTERIOR

Complementing the striking contours of the new design are body-colored side mirrors¹ and door handles⁷, and new dual-beam headlamps in black finish, with cornering lights for additional safety.

Give your ride a sporty spin with bold and trendy new 15" 'TOSA' alloys⁵.

Keep your cool in the shade and comfort of heat-insulated glass³ on the side and rear windows.

At the rear, newly-designed tail lamps⁴ make for a stunning visual upgrade.

While the logo stylishly doubles up as the opening lever⁶ for the boot.

Sleek, isn't it?

DASHBOARD

Inside, the Polo G has more tricks lined up its sleeve. Starting with the sporty new steering wheel, powers of which are known to transform even the dullest of highways into speedy racetracks. At the center is an advanced multi-function console, ready to respond to every command of yours.

INTERIOR

In the Polo, luxury isn't a choice. It's your right.

The reach and rake adjustable steering wheel¹ comes with multi-function² powers that allow you to adjust controls right from your fingertips. To keep you connected, the Polo now comes with new "MirrorLinkTM" that offers easy integration between your smartphone and the car's touchscreen infotainment system via steering controls and display screen.

You know the Polo is always thinking of you, as it lets you make and receive calls using *Voice Command. Simply connect your phone to the advanced multi-function console using ^^Bluetooth and use the Command button on the steering wheel to operate it.

For a more comfortable and safe drive, the sporty hatch now includes a new auto-dimming IRVM⁴ that eliminates any glare from trailing vehicles behind you. Enjoy long drives on the highway with Cruise Control⁶ that effortlessly maintains a steady speed. Keeping you company, is the cooled glove box⁵ that lets you enjoy a cool drink on your drives.

Keeping up with today's evolving lifestyle, the Polo also comes with mirror adjustment controls⁷, bottle and cup holders, enhanced trunk space, along with other little tweaks and twists, much to your satisfaction.

Also on board, you'll find an intelligent rain sensor⁸ that automatically signals the wipers in case of a sudden downpour.
