**Your Volkswagen Dealer**

**Touareg**

A blue Audi Touareg SUV is parked on a modern building's terrace. A man in a light blue shirt and a woman in a pink top are walking towards the car. The building has large glass windows and a concrete facade. In the background, there is a cityscape and mountains under a clear sky. The car is positioned on a paved area, and the overall scene is bright and sunny.

## NOTHING DRIVES LIKE A TOUAREG

Making an instant impression, the Touareg is a 4x4 SUV with unparalleled quality, sublime comfort and next generation technology. Flaunting unique innovations like 4-corner Air Suspension, matrix LED headlights and an Innovision Cockpit, getting behind the wheel of a Touareg is truly an experience that enlivens the senses.

## MATRIX LED HEADLIGHTS

Incisive bodylines and a long bonnet create a strong silhouette, dominated by the front grille that blends harmoniously into the full LED headlights including LED static cornering lights, with chrome strips extending out from the central Volkswagen rounded over the headlights.

PREMIUM LED TAIL LIGHTS

IMPRESSIVE 1800 LTR BOOT SPACE

### DESIGNED FOR EASY ACCESS

When your hands are full, and pulling out your keys might spell disaster, the Easy open/Easy close feature on the Touareg gives you keyless access. When you are close to the car with the key in a pocket or bag, you can open the electric tailgate with a flick of your foot or the push of a button.

## THE SKY'S THE LIMIT

Inside things are really looking up, with a massive panoramic sunroof that lets the outside in, plus dual-zone climate control.

**INNOVISION COCKPIT**  
A Control Centre Like No Other

## HEADS UP DISPLAY

### Eyes On The Road, Always

The Head-up Display uses the windscreen as a projection surface to display important information like the speed, messages from the driver assist systems or navigation details. This way, you can keep your eyes on the road ahead.

**STAY CONNECTED  
WHEREVER YOU ARE**

Bring the familiarity of your phone straight to your infotainment system, thanks to App-Connect6.

## AMBIENT LIGHTING

When the sky starts to darken, choose from 30 different colours of mood lighting in your Touareg. Nothing gets boring in this luxurious SUV.

#### DESIGNED FOR LUXURIOUS COMFORT

The Touareg's electric front seats have been designed to provide maximum comfort even on long journeys.

#### Flexible **DRIVING STYLE**

Driving Profile Selection offers further customization of the vehicle's performance with a choice of Normal, Sport, Eco, Off-road and Individual driving modes.

WHEELS TO LOVE

## All-Wheel **STEERING**

When the rear wheels steer as well as the front wheels, a smaller turning circle can be achieved. This means greater manoeuvrability in tight spaces. The rear wheels also help with stability when you're travelling faster than 50km/h. There's no doubt you'll feel complete confidence on any kind of drive.

**20" 'Montero'  
Alloy Wheels**

## TECHNICAL SPECIFICATIONS

POWERTRAIN	
Engine Type	3.0L TSI V6 Turbocharged
No. of Cylinders	6
Fuel Type	Petrol
Fuel System	Direct Injection
Drive Train	AWD
Displacement(cc)	2995
Transmission	8-Speed sequential automatic
PERFORMANCE	
Max.Power [PS (kw)@ rpm]	340 (250) @5300
Max.Torque [Nm @rpm]	450@1500-5300
BRAKES	
Front	Disc
Rear	Disc
SUSPENSION
